Company: MX19 Alcon Laboratorios S.A. De C.V. Company

Location: Mexico City

Category: computer-and-mathematical

Sr. Accountant Specialist – R2R

Location: Mexico City (Hybrid)

As the global leader in eye care, Alcon has built a rich history of providing innovative products to customers and patients all over the world. We're extremely proud of our legacy and the significant way we've helped to shape the industry over the last 70 years, but we're just getting started. Our relentless passion to eliminate unmet medical needs drives our pursuit to further advance eye health worldwide. We're looking for exceptionally talented, driven people who want to make a difference. If you'd like to help us change the way the world sees, this is your chance to Be Brilliant!

The person in this position will support the **FRA Operations Team**, providing high-quality services, performing daily accounting activities. The role applies principles of accounting to analyze financial information and prepare financial reports. Responsible for accounting requirements for assigned areas to be completed timely and accurately.

How You Will Make a Difference

Interact proactively with functional areas to ensure accurate accounting and financial reporting is accomplished within prescribed deadlines and in accordance with IFRS / Alcon Accounting Manual

Prepare accurate and robust monthly balance sheet account analyses and reconciliations, including analyses for balance sheet reviews.

Prepare accurate journal entries in a timely manner.

Collaborate proactively with key stakeholders, including Finance colleagues and Regional Financial Reporting and Accounting. Communication with these stakeholders is appropriate and timely when questions regarding accounting/reporting matters arise.

Ensure all processes comply with Alcon standards and policies (i.e. global processes, Alcon Accounting Manual, Alcon Financial Controls Manual, Management Authorization Levels, etc.).

Understand impacts to the general ledger for assigned areas due to other intra- and inter-departmental transactions and activity from other functional departments.

What We Can Offer You

Opportunity to join growing, early-stage organization built within a mature, stable global company

Friendly working environment and a diverse and highly motivated team

Individual career development plan and possible career growth within newly created account

Truly international environment and daily interactions with colleagues and stakeholders from all over the world

Attractive benefits & compensation package

Flexible hours and remote work possibilities (min 3 days per week office-based)

Skills For Success

An undergraduate degree in accounting and/or Finance required. Master's or Advanced degree in accounting and/or Finance preferred.

CPA/Chartered Accountant preferred.

Comprehensive knowledge of IFRS (GAAP), accounting and financial reporting requirements. Strong analytical skills.

The ability to fluently read, write, understand and communicate in English.

5+ years of accounting experience – public and industry preferred

Ability to apply accounting practices. Good analytical skills.

ERP knowledge (SAP, JDE)

Microsoft Office skills (Excel, Word, PowerPoint)

Experience working with shared services preferred.

Experience working on process improvement projects and financial process engineering.

KINDLY SUBMIT RESUME IN ENGLISH
