Company: Expeditors

Location: Mexico City

Category: computer-and-mathematical

Job Description

Note: Applications must be in English.

Expeditors is seeking a motivated and well-qualified attorney with at least three (3) years of experience practicing law in a law firm or the corporate legal department of a global corporation to support the Transactions practice group. The position will assist with complex legal matters, advising Expeditors' internal clients on legal implications and risk exposures involved in commercial transactions and privacy matters across multiple geographies.

As a Commercial Contracts Attorney, you will support the global Legal Department in representing the company's best interests in transactions matters; interactions with commercial customers; contract negotiations; and other opportunities. Day-to-day, you will be responsible for drafting, reviewing, and negotiating complex commercial service contracts and other commercial documents, confidentiality agreements, as well as the privacy-related aspects of other agreements including consulting agreements, and information technology-related license documents.

In addition, the position will provide routine support on bankruptcy matters, secured credit issues, corporate entity management, litigation management and other general legal questions from various business teams globally. A successful candidate must be able to effectively manage multiple matters with different priorities at the same time.

Qualifications

A successful candidate will have:

A law degree and a professional license/authorization to practice law in Mexico and/or another jurisdiction within the Americas region, in good standing.

Fluency in both English and in Spanish is required Nearly all written communications are conducted in English. Professional level competency in **Portuguese is preferred** but not required.

Previous experience in the freight forwarding and logistics industry (preferred but not required).

Strong experience in commercial and privacy law.

Contract drafting and negotiation experience.

The ability to identify, analyze, assess, and communicate legal risks to enable internal clients to make quality, risk-adjusted business decisions.

Impeccable integrity, honesty, and trustworthiness and an appropriate initiative and work ethic.

The ability to work both independently and collaboratively.

Excellent time management and prioritization abilities.

Effective written and oral communication skills.

Excellent judgment and common sense.

Excellent interpersonal skills and the ability to work well in a team.
