

## Commercial Risk Intern

[Apply Now](#)

Company: GM Financial

Location: Monterrey

Category: computer-and-mathematical

### Why GMF?

GM Financial International Operations conducts business in Latin America and China. International Operations offers a wide range of wholesale and retail automotive financing products to dealers and their customers. The strength of the international business lies in its ability to tailor its products to meet unique dealer needs, consumer preferences and national requirements in local markets. Latin American country operations include Brazil, Chile, Colombia, Mexico, and Peru.

### About the role

The Commercial Risk Intern is responsible for researching and analyzing credit risks according to guidelines established by GMF, assessing credit history and evaluating financial performance of customers. This team member has contact with other company departments, as well as automobile dealers. The successful candidate think strategically, loves analyzing, collaborate with others to achieve a common goal and possess a strong financial background. You will be responsible of independent and team project activities.

### What you need

Time Availability: 4-5 hours daily.

To be 1 year (or more) away from graduation

Student pursuing a degree in a Business-related field, including but not limited to Finance, Accounting, or Economics.

Certifications related to Financial/Accounting knowledge considered a plus.

Familiar with Power Bi and/or Excel.

Must be comfortable with teamwork and a collaborative environment.

Strong written and verbal communication skills in Spanish and English required.

Strong analytical, quantitative, problem-solving, and conceptual skills required.

Familiar with financial statements and financial ratios (Reading and analyzing)

Proficient in Microsoft Office Suite (including Word, Excel, Power Point)

### **What you will be doing**

Gain experience in the credit review field.

Assist risk specialists in day-to-day activities.

Provide insightful opinion about internal processes.

Attend to risk opportunity meetings.

Gain exposure to GMF risk policy guidelines.

Recommend and take actions to ensure GMF risk guidelines are met.

Complete credit reviews and present risk assessments to Risk Director.

Obtain responsibility of the support to risk systems and processes.

Support the ongoing receipt of clients' documentation for annual credit review processes.
