Member More Details Director & Head of Programs Latin America and the Caribbean
The Director & Head of Programs Latin America and Caribbean (LAC) will contribute and shape the strategic direction of Green Growth Planning and Implementation (GGPI) division, mobilize resources, and manage the overall portfolio of programs including staff and multimillion dollar budget. S/he will monitor trends and issues affecting country portfolios and develop strategic responses to opportunities and challenges including the formulation and implementation of country planning frameworks, strategies, and activities in line with GGGI's strategic plan 2030 contextualized under the LAC Regional Strategy 2021-2025. S/he will enhance the country's participation in inter and intra-divisional processes and integration. S/he will ensure better coordination and collaboration of country teams with the HQ and support synergies across workstreams, especially related to thematic priorities and programmatic solutions. S/he will provide leadership and quality oversight over the efforts of country teams to strengthen their respective programs, build and sustain GGGI's comparative advantages in-country, oversee resource mobilization and develop strong partnerships with a wide range of global, regional, and local players, including new

development partners, ministries of finance and economic planning.

PURPOSEThe Head of Programs is a key position to align and interface between GGGI's corporate strategy and operations on the ground with following specific responsibilities:

- Oversee operations in a portfolio of Programs, their business development efforts, project implementation, and stakeholder engagement.
- Provide oversight and represent portfolio of countries to the Management Team in terms of Results, Financial and Human resources management.
- Engage, as required, in proposal development and more broadly in resource mobilization activities for the assigned portfolio.
- Lead results reporting and continuous monitoring and evaluation efforts.
- Lead and manage the regional team and Country Representatives.

ENGAGEMENTWork with country teams and lead the strategic program development to meet the goals set forth in GGGI's Strategic Plan 2030 as deployed under the LAC Regional Strategy 2021-2025. Lead knowledge sharing across portfolio and GGGI, engage with and establish strategic partners such as with high level government and private sector counterparts, bilateral donors, Multilateral Development Banks, established Funds, philanthropists, UN Regional Agencies, strategic delivery partners etc

Guide and support the country teams to develop and implement the resource mobilization plans at country level and ensure the plans are aligned with the corporate strategy. Strengthen development partners' confidence in GGGI's country operations and support country teams' efforts to ensure ongoing and substantive communication with current and potential donors and mobilization of resources at country and regional levels

Act as a resource person to ensure knowledge generated from country offices are fed into GGGI's regional and global knowledge platforms
