Golang Developer

[Apply Now](#)

Company: VASS MEXICO

Location: Mexico City

Category: computer-and-mathematical

#LI-KS1

Are you a Golang Developer? If you are looking for a great team with a high technical level, where proactivity and the desire to do different things are valued.

THIS IS YOUR PLACE!

We are leaders in digital solutions with 25 locations on 5 continents and a team of more than 4,500 people. We support large companies and public administrations in their end2end digital transformation process, developing and executing the most innovative and scalable projects from strategy to operation.

All this growth is based on talent and passion for innovation and continuous improvement, always in our way: simplifying the complex

What you'll do:

Performing technical tasks of analysis, design, coding and testing complex programs and processes

You will work on projects where code quality, good design, and architecture are top priorities

Requirements:

What you should know to succeed in this role:

Design and coding best practices to build high-quality components and solutions

Experience in Backend coding

Deep knowledge of **Python, AWS, Ionic**

Deep knowledge in **Databases**

Excellent communication and problem -solving skills

Experience working with unit tests, static code analysis and writing maintainable code

Fluent in **English**

Do we share the same DNA? We do, if:

You are flexible and purpose-oriented

You have a creative and innovative mind

You feel confident and enjoy what you do

You are autonomous and have a self-driven personality

Benefits of working together:

Law benefits

Medical insurance

Work in national & international projects

English classes

Gym pass with exclusive prices

Referral bonus

International Mobility

L Language classes, technical certifications, and Access to open webinars and Udemy

Great work environment; our teams make it possible!

Work from home and flexible hours

Various health and wellness initiatives with our VASS Care program

Stability and future projection through the professional development plan

You will be part of a dynamic company that is constantly growing

You will participate in projects with cutting-edge technologies

You will be part of a young, multifunctional, and autonomous team

You will be part of a large team of high-level professionals whose motivation is contributing value to daily work and professional excellence

If you want to join a dynamic company where technological challenges will be found daily, we await you in the great VASS team.

We want you to be the best version of yourself. YOUR TALENT IS OUR DNA

Welcome to your future!

VASS is proud to be an Equal Opportunity Employer. We do not discriminate based on race, religion, color, sex, gender identity, sexual orientation, age, national origin, marital status, or disability. Our recruitment is decided based on qualifications, merit, and business need.
