Company: Mondelēz International

Location: Mexico

Category: other-general

Description

Are You Ready to Make It Happen at Mondelēz International?

Join our Mission to Lead the Future of Snacking. Make It With Pride.

You provide hands-on assistance to support the operation and goals of the laboratory by planning and conducting experiments and applying your understanding to analyze results. With guidance, you plan and implement assigned projects.

How you will contribute

You will perform a range of analyses, prepare and maintain standard equipment and chemicals required for running of an analytical laboratory, support laboratory activities while ensuring compliance to the appropriate internal and external standards, and capture and report data with technical rigor and accuracy. To succeed in this role, you will maintain a clean, tidy and safe working environment and be proficient in generic and specific software packages.

What you will bring

A desire to drive your future and accelerate your career and the following experience and knowledge:

Working on teams and independently with the guidance of more senior team members

Proactively identifying problems and assisting in creating and implementing solutions

Maintaining equipment to ensure they are always operable

Applying your technical understanding of equipment to support laboratory operations

Recording and reporting data and activity outcome accurately

Working in laboratories

Relevant industry and/or academic experience

More about this role

What extra ingredients you will bring:

Education / Certifications:

Job specific requirements:

Travel requirements:

Work schedule:

No Relocation support available

Business Unit Summary

Mondelez México has been in the country since 1927 and currently employs 6,000 wonderful people. Our diverse portfolio includes iconic and mouth-watering global brands such as Trident, Oreo, Philadelphia, and local jewels like Clorets and Bubbalo. We are leaders in the making of cream cheese, powdered beverages and confections—in fact, we make seven out of every 10 chewing gums consumed by Mexicans. Our growth is supported by our cutting-edge manufacturing facilities, such as our Puebla Plant and Nuevo León HUB, which are the largest gums, candies and biscuits factories in the world in terms of volume. You can buy our products in 900,000 places in Mexico. We are also home to one of the 11 technology centers Mondelez International has worldwide, a specialized gum and candy facility that places us at the forefront of innovation and development in the country and drives our purpose to lead the future of snacking. We are pioneers in the country in work-life balance practices such as extended maternity leave, open spaces, remote work and flexible working hours.

Mondelēz International is an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, gender, sexual orientation or preference, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law.
