

Underwriter I - Financial Lines

[Apply Now](#)

Company: Everest, Consultoría, Administración y Back Office S de RL de CV

Location: Mexico City

Category: other-general

Description

Role Purpose:

The primary purpose of this role is to partner in the development and execution of the Mexico Financial Lines underwriting strategy and support the Active Underwriter and the wider underwriting community across Everest Global Markets in its delivery.

Core Responsibilities:

Underwrite and price Financial Lines risks and determine the acceptability of risks

Prepare quotations and formal proposals on new and renewal business

Deliver a high level of response time and service quality to clients and brokers

Bind coverages subject to authority level and answer inquiries from producers

Ensure that documentation is completed timely and accurately according to standards with Financial Lines underwriting and departmental workflow systems and processes.

Expand the Financial Lines portfolio in line with controls, underwriting strategy, and guidelines while always maintaining a focus on bottom-line underwriting profit and delivery

Developing and maintaining relationships with key brokers and clients

Assist the Head of Financial Lines in addressing and resolving overdue, workflow, and various clerical issues as necessary

Interact and coordinate activities with other departments

Liaise with other underwriting departments as necessary

Recommend new procedures and programs where warranted

Responsible for complying with proper internal control

Qualifications:

Minimum of a bachelor's degree or equivalent in business or a related field

2-4 years of professional work experience in a related field.

Advanced English (90% of the activities will be in this language)

Outstanding interpersonal relationship-building and development skills

Motivated and result driven

Analytical thinking

Proficient in Word, Excel, PowerPoint, and other relevant IT tools

Our Culture

At Everest, our purpose is to provide the world with protection. We help clients and businesses thrive, fuel global economies, and create sustainable value for our colleagues, shareholders and the communities that we serve. We also pride ourselves on having a unique and inclusive culture which is driven by a unified set of values and behaviors. Click to learn more about our culture.

Our Values are the guiding principles that inform our decisions, actions and behaviors. They are an expression of our culture and an integral part of how we work: Talent. Thoughtful assumption of risk. Execution. Efficiency. Humility. Leadership. Collaboration. Diversity, Equity and Inclusion.

Our Colleague Behaviors define how we operate and interact with each other no matter our location, level or function: Respect everyone. Pursue better. Lead by example. Own our outcomes. Win together.

All colleagues are held accountable to upholding and supporting our values and

behaviors across the company. This includes day to day interactions with fellow colleagues, and the global communities we serve.
